Each party to this Agreement agrees that it shall indemnify and hold harmless the other party, and its directors, officers, employees, agents, representatives, successors and assigns, against all actions, claims, demands, liabilities, losses, damages, costs and expenses, including reasonable attorney fees, to the extent resulting out of an actual or alleged injury to a person or to property as a result of the negligence, willful misconduct or deliberate ignorance of the indemnifying party in connection with that party's obligations under this Agreement, except to the extent any such action, claim, demand, liability, losses, damages, cost or expense was caused by the negligence or willful misconduct of or the breach of obligations of this Agreement by the party claiming indemnification hereunder, or its directors, officers, employees, agents, representatives, assigns or successors. The provisions of this Section 2.1 shall survive the termination of the Agreement with respect to any claim, action, or proceeding relating to actions or omissions alleged to have occurred during the term of this Agreement.

2.2 Insurance. Each Party will maintain its own professional liability insurance in the amount of least One Million Dollars (\$1,000,000) per occurrence and Three Million Dollars (\$3,000,000) in the aggregate on behalf of each of its professional employees, if applicable. Neither Altru nor its employees will bill any patient or third-party payer for any Professional Services provided under this Agreement. Polk County Public Health will be solely responsible for collection of any amounts billed for the Professional Services.

ARTICLE IV: TERM AND TERMINATION

4.1 Term of this Agreement. The term of this Agreement will begin on the Effective Date above or at such other time as the Parties otherwise agree in writing (the "Commencement Date") and will continue for an initial term of one (1) year (the "Initial Term"), unless this Agreement is terminated earlier as provided herein. Upon the expiration of the Initial Term, this Agreement shall automatically renew unless earlier terminated as follows:

Client acknowledges and understands the importance of keeping Confidential Information, including the terms of this Agreement, confidential and agrees never to use (except in performing Professional Services hereunder) or disclose, or permit its employees, agents, officers, directors, or owners to use (except in performing Services hereunder) or disclose, such information to any third party except as may be required by law. In the event disclosure of any Confidential Information is ordered by a court or administrative order or other lawful process, Client shall immediately notify Altru. Upon termination of this Agreement for any reason, Parties agree to immediately return all records or other tangible documents which contain, embody or disclose, in whole or in part any Confidential Information. In the event Altru or any of its employees agents, officers, directors, or owners breaches or threatens to breach any term of Section, Altru will be entitled as a matter of right to injunctive

relief and reasonable attorneys' fees, costs, and expenses associated with enforcing the provisions of this Section, in addition to any other remedies available at law or equity. The provisions of this section shall survive the termination of the Agreement.

ARTICLE VI: MISCELLANEOUS

For the purpose of this Agreement, the relationship of a Party and its employees, agents and servants to the other Parties and their respective employees, agents and servants will be that of independent contractors. 2.6 Agents and Subcontractors. Business Associate agrees to ensure that any agent, including a subcontractor, that creates, receives, maintains, or transmits Covered Entity's Protected Health Information on behalf of Business Associate agrees to the same restrictions and conditions that apply to Business Associate with respect to such information, including, without limitation, restrictions, conditions, and requirements regarding implementation of reasonable and appropriate safeguards to protect Electronic Protected Health Information, and to notify Business Associate of Breaches and other improper Uses or Disclosures of Protected Health Information.

2.7 Access to Protected Health Information. In the event Business Associate maintains Protected Health Information in a Designated Record Set, Business Associate agrees to provide access, within 10 days of Covered Entity's request, to Protected Health Information in a Designated Record Set to Covered Entity in order to meet the requirements under 45 CFR § 164.524. To the extent Business Associate is carrying out Covered Entity's obligations under Subpart E of 45 CFR Part 164, Business Associate shall comply with the requirements of Subpart E that apply to Covered Entity in the performance of such obligation(s).

ARTICLE 3. PERMITTED USES AND DISCLOSURES BY BUSINESS ASSOCIATE

3.1 General Use and Disclosure. Except as otherwise limited in this BAA, Business Associate may Use or Disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Agreement, provided that such Use or Disclosure would not violate the Privacy Rule if done by Covered Entity except as permitted by this Article 3.

3.2 Minimum Necessary. Business Associate shall Use and Disclose Protected Health Information, as well as request Protected Health Information, in accordance with the minimum necessary requirements of the HIPAA Rules and Covered Entity's policies and procedures.

3.3 Use for Business Purposes. Except as otherwise limited in this BAA, Business Associate may Use Protected Health Information for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate.

3.4 Disclosure for Business Purposes. Except as otherwise limited in this BAA, Business Associate may Disclose Protected Health Information for the proper management and administration of Business Associate, provided that such Disclosures are (a) Required By Law; or (b) Business Associate obtains reasonable assurances, prior to disclosure, from the person to whom the information will be disclosed that it will remain confidential and be Used or further Disclosed only as Required By Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

3.5 Data Aggregation. Except as otherwise limited in this BAA, Business Associate may Use Protected Health Information to provide Data Aggregation services related to the health care operations of Covered Entity as permitted by 45 CFR § 164.504(e)(2)(i)(B) if so requested by Covered Entity.

3.6 De-Identification. Business Associate may de-identify any and all Protected Health Information, provided that such de-identification is performed in accordance with 45 CFR § 164.514(b), and provided that Business Associate not maintain or disclose any code or other means of record identification that would allow de-identified information to be re-identified.

ARTICLE 4.
OBLIGATIONS OF COVERED ENTITY

4.1 Notification to Business Associate. Covered Entity shall notify Business Associate of: (i) any limitation(s) in its notice of privacy practices in accordance with 45 CFR § 164.520, to the extent that such limitation may affect Business Associate's Use or Disclosure of Protected Health Information; (ii) any changes in, or revocation of, permission by Individual to Use or Disclose Protected Health Information, to the extent that such changes may affect Business Associate's Use or Disclosure of Protected Health Information; and (iii) any restriction to the Use or Disclosure of Protected Health Information that Covered Entity has agreed to in accordance with 45 CFR § 164.522, to the extent that such restriction may affect Business Associate's Use or Disclosure of Protected Health Information.

4.2 Requests. Covered Entity shall not request Business Associate to Use or Disclose Protected Health Information in any manner that would not be permissible under the Privacy Rule if done by Covered Entity.

ARTICLE 5.
TERM AND TERMINATION

5.1 Term. This BAA shall be effective as of the Effective Date, and shall terminate when all of the Protected Health Information provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy Protected Health Information, protections are extended to such information, in accordance with the termination provisions in this Article 5.

5.2 Termination for Cause. Upon Covered Entity's knowledge of a violation of a material term of this BAA by Business Associate, Covered Entity shall either:

- (a) Provide an opportunity for Business Associate to cure the violation and terminate the Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;
- (b) Immediately terminate the Agreement if Business Associate has violated a material term of this BAA and cure is not possible; or
- (c) If neither termination nor cure are feasible, report the violation to the Secretary.

5.3 Effect of Termination.

- (a) Except as provided in paragraph (b) of this section, upon termination of this BAA, for any reason, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity that the Business Associate still maintains in any form. This provision shall apply to Protected Health Information that is in the possession of

subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible because Business Associate must maintain the Protected Health Information for its own proper management or administration, or to carry out its legal responsibilities, all as set forth in Sections 3.2 and 3.3, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction infeasible. In such case, Business Associate shall: (i) retain only the Protected Health Information that is necessary to continue its proper management and administration or to carry out its legal responsibilities; (ii) destroy or return to Covered Entity the remaining Protected Health Information that is still maintained in any form; (iii) continue to use appropriate safeguards to comply with the HIPAA Rules for as long as Business Associate maintains the Protected Health Information; (iv) not Use or Disclose the Protected Health Information that is retained other than for the purposes for which such Protected Health Information was retained, and subject to the same conditions set out in Sections 3.2 and 3.3; and (v) destroy or return to Covered Entity the Protected Health Information retained by Business Associate when it is no longer needed by Business Associate for its proper management and administration or to carry out its legal responsibilities.

ARTICLE 6. INDEMNIFICATION; INJUNCTIVE RELIEF

6.1 Indemnification. Business Associate agrees to indemnify, defend and hold harmless Covered Entity and its directors, officers, agents, shareholders and employees from and against any and all claims, demands, losses, expenses, costs (including reasonable attorneys' fees), damages and causes of action arising from or relating to Business Associate's breach of this BAA. In the event of a Breach by Business Associate, its agents, employees, or subcontractors, Business Associate will reimburse and indemnify Covered Entity's expenses and costs, including attorney's fees, that are reasonably incurred due to the Breach, including costs associated with the notification of Individuals and the media, as well as credit monitoring and other mitigating actions if determined necessary by Covered Entity. The indemnification obligations of Business Associate are expressly made subject to the right, but not the obligation, of Business Associate and its insurer(s) to assume defense and settlement responsibilities concerning such claims, using counsel satisfactory to Covered Entity as determined in Covered Entity's reasonable discretion.

6.2 Injunctive Relief. The parties acknowledge that the remedy at law for any breach of the terms of this BAA are inadequate and that the damages resulting from such breach are not readily susceptible to being measured in monetary terms. Accordingly, in the event of a breach or threatened breach by Business Associate or any of its subcontractors of the terms of this BAA, Covered Entity shall be entitled to immediate injunctive relief and may obtain a temporary order restraining any threatened or further breach.

ARTICLE 7. MISCELLANEOUS

7.1 Regulatory References. A reference in this BAA to a section in the HIPAA Rules means the section as in effect or as amended.

7.2 Applicability of Terms; Conflicts. This BAA applies to all past, present, and future contracts and relationships between Covered Entity and Business Associate, written or unwritten, formal or informal, in which Covered Entity provides any PHI to Business Associate, or Business Associate otherwise accesses, receives, transmits, or creates on behalf of Covered Entity. This BAA shall automatically be incorporated in all subsequent agreements between Covered Entity and Business Associate involving the creation, access, transmission, receipt, use, or disclosure of PHI by Business Associate on behalf of Covered Entity, whether or not specifically referenced therein. In the event of any conflict or inconsistency between the provisions of this BAA and the provisions of any other agreement between Covered Entity and Business Associate, the provisions of this BAA shall control unless Covered Entity specifically agrees to the contrary in writing.

7.3 Governing Law. The federal laws of the United States and the laws of the State of Minnesota will govern all disputes arising out of or relating to this Agreement, without reference to conflict of laws principles. With respect to any dispute or litigation arising out of or relating to this Agreement: (a) the parties agree that it shall be filed in and be heard by the state or federal courts with jurisdiction to hear such disputes in or near Polk County, Minnesota; and (b) the parties hereby submit to the personal jurisdiction of such courts.

7.4 Access to Records. In accordance with Medicare requirements under Section 952 of the Omnibus Reconciliation Act of 1980 (P.O. 96-499) and such regulations related thereto as may be promulgated by the Secretary of the U.S. Department of Health and Human Services (the "Secretary"), Business Associate shall, while this Agreement is in effect and until the expiration of four (4) years after furnishing any Business Associate Services hereunder, make available, upon written request to the Secretary or the Comptroller General of the United States, or any of their duly authorized representatives, a copy of this Agreement and such books, documents and records of Business Associate that are necessary to certify the nature and extent of the costs incurred by the Covered Entity with respect to the Business Associate Services furnished by Business Associate hereunder. Business Associate shall notify the Covered Entity immediately of any request for records encompassed by this section.

7.5 Assignment. Except as provided below, neither party may assign (by operation of law or otherwise) this Agreement (or any of its rights and obligations under this Agreement) without the written consent of the other party. Notwithstanding the foregoing, either party may assign this Agreement (together with all of its rights and obligations relating to this Agreement and the subject matter of this Agreement) to any of its Affiliates (as defined below) or to a third party in connection with a merger, reorganization, or sale or other transfer of all or substantially all of the assets of the business or operating unit related to the subject of this Agreement. Except as provided in this Agreement, any purported assignment, transfer or delegation shall be null and void. Subject to the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the parties and their

respective successors and permitted assigns. An “Affiliate,” for the purpose of this Agreement, means (i) a legal entity wholly-owned by the applicable party; (ii) a legal entity that wholly-owns the applicable party; or (iii) a legal entity under common control with the applicable party, such common control being evidenced by the other legal entity and the applicable party having the same parent.

7.6 No Third Party Beneficiaries. This Agreement is for the sole and exclusive benefit of Business Associate and the Covered Entity. It shall not be deemed to be for the direct or indirect benefit of any patient or Covered Entity of the Covered Entity, and no patient or Covered Entity of the Covered Entity shall be deemed to be a third party beneficiary of this Agreement or to have any other contractual relationship with Business Associate by reason of this Agreement.

7.7 Amendment. The Parties agree to take such action as is necessary to amend this BAA from time to time as is necessary for Covered Entity to comply with the requirements of the HIPAA Rules.

7.8 Survival. Sections 5.3, 6.1 and 6.2 of this BAA shall survive the termination of the Agreement.

7.9 Interpretation. Any ambiguity in this BAA shall be resolved to permit Covered Entity to comply with the HIPAA Rules.

Terms and Conditions

1. Definitions.

Terms used but not defined in this Enrollment will have the definition in the Enterprise Agreement. The following definitions are used in this Enrollment:

“Additional Product” means any Product identified as such in the Product Terms and chosen by Enrolled Affiliate under this Enrollment.

“Community” means the community consisting of one or more of the following: (1) a Government, (2) an Enrolled Affiliate using eligible Government Community Cloud Services to provide solutions to a Government or a qualified member of the Community, or (3) a Customer with Customer Data that is subject to Government regulations for which Customer determines and Microsoft agrees that the use of Government Community Cloud Services is appropriate to meet Customer’s regulatory requirements.

Membership in the Community is ultimately at Microsoft's discretion, which may vary by Government Community Cloud Service.

"Enterprise Online Service" means any Online Service designated as an Enterprise Online Service in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Online Services are treated as Online Services, except as noted.

"Enterprise Product" means any Desktop Platform Product that Microsoft designates as an Enterprise Product in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Products must be licensed for all Qualified Devices and Qualified Users on an Enterprise-wide basis under this program.

"Expiration Date" means the date upon which the Enrollment expires.

"Federal Agency" means a bureau, office, agency, department or other entity of the United States Government.

"Government" means a Federal Agency, State/Local Entity, or Tribal Entity acting in its governmental capacity.

"Government Community Cloud Services" means Microsoft Online Services that are provisioned in Microsoft's multi-tenant data centers for exclusive use by or for the Community and offered in accordance with the National Institute of Standards and Technology (NIST) Special Publication 800-145. Microsoft Online Services that are Government Community Cloud Services are designated as such in the Use Rights and Product Terms.

"Industry Device" (also known as line of business device) means any device that: (1) is not useable in its deployed configuration as a general purpose personal computing device (such as a personal computer), a multi-function server, or a commercially viable substitute for one of these systems; and (2) only employs an industry or task-specific software program (e.g. a computer-aided design program used by an architect or a point of sale program) ("Industry Program"). The device may include features and functions derived from Microsoft software or third-party software. If the device performs desktop functions (such as email, word processing, spreadsheets, database, network or Internet browsing, or scheduling, or personal finance), then the desktop functions: (1) may only be used for the purpose of supporting the Industry Program functionality; and (2) must be technically integrated with the Industry Program or employ technically enforced policies or architecture to operate only when used with the Industry Program functionality.

"Managed Device" means any device on which any Affiliate in the Enterprise directly or indirectly controls one or more operating system environments. Examples of Managed Devices can be found in the Product Terms.

"Qualified Device" means any device that is used by or for the benefit of Enrolled Affiliate's Enterprise and is: (1) a personal desktop computer, portable computer, workstation, or similar device capable of running Windows Pro locally (in a physical or virtual operating system environment), or (2) a device used to access a virtual desktop infrastructure ("VDI"). Qualified Devices do not include any device that is: (1) designated as a server and not used as a personal computer, (2) an Industry Device, or (3) not a Managed Device. At its option, the Enrolled Affiliate may designate any device excluded above (e.g., Industry Device) that is used by or for the benefit of the Enrolled Affiliate's Enterprise as a Qualified Device for all or a subset of Enterprise Products or Online Services the Enrolled Affiliate has selected.

"Qualified User" means a person (e.g., employee, consultant, contingent staff) who: (1) is a user of a Qualified Device, or (2) accesses any server software requiring an Enterprise Product Client Access License or any Enterprise Online Service. It does not include a person who accesses server software or an Online Service solely under a License identified in the Qualified User exemptions in the Product Terms.

"Reseller" means an entity authorized by Microsoft to resell Licenses under this program and engaged by an Enrolled Affiliate to provide pre- and post-transaction assistance related to this agreement;

"Reserved License" means for an Online Service identified as eligible for true-ups in the Product Terms, the License reserved by Enrolled Affiliate prior to use and for which Microsoft will make the Online Service available for activation.

"State/Local Entity" means (1) any agency of a state or local government in the United States, or (2) any United States county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality established by the laws of Customer's state and located within Customer's state's jurisdiction and geographic boundaries.

"Tribal Entity" means a federally recognized tribal entity performing tribal governmental functions and eligible for funding and services from the U.S. Department of Interior by virtue of its status as an Indian tribe.

"Use Rights" means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at the Volume Licensing Site and updated from time to time. The Use Rights include the Product-Specific License Terms, the License Model terms, the Universal License Terms, the Data Protection Terms, and the Other Legal Terms. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product.

"Volume Licensing Site" means <http://www.microsoft.com/licensing/contracts> or a successor site.

2. Order requirements.

- a. Minimum order requirements.** Enrolled Affiliate's Enterprise must have a minimum of 250 Qualified Users or Qualified Devices. The initial order must include at least 250 Licenses for Enterprise Products or Enterprise Online Services.
 - (i) Enterprise commitment.** Enrolled Affiliate must order enough Licenses to cover all Qualified Users or Qualified Devices, depending on the License Type, with one or more Enterprise Products or a mix of Enterprise Products and the corresponding Enterprise Online Services (as long as all Qualified Devices not covered by a License are only used by users covered with a user License).
 - (ii) Enterprise Online Services only.** If no Enterprise Product is ordered, then Enrolled Affiliate need only maintain at least 250 Subscription Licenses for Enterprise Online Services.
- b. Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products.
- c. Use Rights for Enterprise Products.** For Enterprise Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Enrolled Affiliate's use of that Product during that term.
- d. Country of usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any additional orders.
- e. Resellers.** Enrolled Affiliate must choose and maintain a Reseller authorized in the United States. Enrolled Affiliate will acquire its Licenses through its chosen Reseller. Orders must be submitted to the Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Throughout this Agreement the term "price" refers to reference price. Resellers and other third parties do not have authority to bind or impose any obligation or liability on Microsoft.
- f. Adding Products.**
 - (i) Adding new Products not previously ordered.** New Enterprise Products or Enterprise Online Services may be added at any time by contacting a Microsoft Account Manager or Reseller. New Additional Products, other than Online Services, may be used if an order is placed in the month the Product is first used. For Additional Products that are Online Services, an initial order for the Online Service is required prior to use.

- (ii) **Adding Licenses for previously ordered Products.** Additional Licenses for previously ordered Products other than Online Services may be added at any time but must be included in the next true-up order. Additional Licenses for Online Services must be ordered prior to use, unless the Online Services are (1) identified as eligible for true-up in the Product Terms or (2) included as part of other Licenses.
- g. **True-up requirements.** Enrolled Affiliate must submit an annual true-up order that accounts for any changes since the initial order or last order. If there are no changes, then an update statement must be submitted instead of a true-up order.
- (i) **Enterprise Products.** For Enterprise Products, Enrolled Affiliate must determine the number of Qualified Devices and Qualified Users (if ordering user-based Licenses) at the time the true-up order is placed and must order additional Licenses for all Qualified Devices and Qualified Users that are not already covered by existing Licenses, including any Enterprise Online Services.
- (ii) **Additional Products.** For Additional Products that have been previously ordered under this Enrollment, Enrolled Affiliate must determine the maximum number of Additional Products used since the latter of the initial order, the last true-up order, or the prior anniversary date and submit a true-up order that accounts for any increase.
- (iii) **Online Services.** For Online Services identified as eligible for true-up in the Product Terms, Enrolled Affiliate may place a reservation order for the additional Licenses prior to use and payment may be deferred until the next true-up order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retrospectively to the month in which they were ordered.
- (iv) **Subscription License reductions.** Enrolled Affiliate may reduce the quantity of Subscription Licenses at the Enrollment anniversary date on a prospective basis if permitted in the Product Terms, as follows:
- 1) For Subscription Licenses that are part of an Enterprise-wide purchase, Licenses may be reduced as long as (a) the initial order minimum requirements are maintained and (b) the total quantity of Licenses and Software Assurance for an applicable group meets or exceeds the quantity of Qualified Devices and Qualified Users (if ordering user-based Licenses) identified on the Product Selection Form, and includes any additional Qualified Devices and Qualified Users added in any prior true-up orders. Step-up Licenses do not count towards this total count.
 - 2) For Enterprise Online Services in a given Product pool that are not a part of an Enterprise-wide purchase, Licenses can be reduced as long as (a) the initial order minimum requirements are maintained and (b) all then-active users of each Online Service are included the total quantity of Licenses remaining after the reduction. An Enrolled Affiliate may reduce Licenses for Online Services on or before the Enrollment anniversary date and place a reservation order for such licenses within 90 days after the anniversary date; however, any licenses ordered as described in this section will be invoiced to the Enrolled Affiliate for the time period the licenses were made available. Subscription Licenses ordered upfront may not be reduced.
 - 3) For Additional Products available as Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, then Enrolled Affiliate's use of the applicable Subscription License will be cancelled.
- Invoices will be adjusted to reflect any reductions in Subscription Licenses at the true-up order Enrollment anniversary date and effective as of such date.
- (v) **Update statement.** An update statement must be submitted instead of a true-up order if, since the initial order or last true-up order, Enrolled Affiliate's Enterprise: (1) has not changed the number of Qualified Devices and Qualified Users licensed with Enterprise Products or Enterprise Online Services; and (2) has not increased its usage of Additional

Products. This update statement must be signed by Enrolled Affiliate's authorized representative.

- (vi) **True-up order period.** The true-up order or update statement must be received by Microsoft between 60 and 30 days prior to each Enrollment anniversary date. The last true-up order or update statement during an Enrollment term is due within 30 days prior to the Expiration Date, and any license reservations within this 30-day period will not be accepted. Enrolled Affiliate may submit true-up orders more often to account for increases in Product usage, but an annual true-up order or update statement must still be submitted during the annual order period.
- (vii) **Late true-up order.** If the true-up order or update statement is not received when due, Microsoft may invoice Reseller for all Reserved Licenses not previously invoiced and Subscription License reductions cannot be reported until the following Enrollment anniversary date (or at Enrollment renewal, as applicable).
- h. **Step-up Licenses.** For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:
 - (i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up process.
 - (ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.
- i. **Clerical errors.** Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.
- j. **Verifying compliance.** Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Enterprise Agreement.

3. **Pricing.**

- a. **Price Levels.** For both the initial and any renewal term Enrolled Affiliate's Price Level for all Products ordered under this Enrollment will be Level "D" throughout the term of the Enrollment.
- b. **Setting Prices.** Unless otherwise expressly agreed to by the parties and except for Online Services designated in the Product Terms as being exempt from fixed pricing, Enrolled Affiliate's prices for each Product or Service will be established by its Reseller. As long as Enrolled Affiliate continues to qualify for the same price level, Microsoft's prices for Resellers for each Product or Service ordered will be fixed throughout the applicable initial or renewal Enrollment term. Microsoft's prices to Resellers are reestablished at the beginning of the renewal term.

4. **Payment terms.**

For the initial or renewal order, Microsoft will invoice Enrolled Affiliate's Reseller in three equal annual installments. The first installment will be invoiced upon Microsoft's acceptance of this Enrollment and remaining installments will be invoiced on each subsequent Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront for Online Services and upfront for all other Licenses.

5. **End of Enrollment term and termination.**

- a. **General.** At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but has not previously submitted an order, except as otherwise provided in this Enrollment.
- b. **Renewal option.** At the Expiration Date of the initial term, Enrolled Affiliate may request to renew Products and Services under this Enrollment for one additional 36-month term. Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements or Enrollments in order to renew. In order for a renewal request to be considered, Microsoft must receive a Renewal Form, Product Selection Form, and renewal request prior to or at the Expiration Date. Microsoft will review a renewal request made under this section in good faith and may accept or reject such request in its sole discretion.
- c. **If Enrolled Affiliate elects not to renew.**
 - (i) **Software Assurance.** If Enrolled Affiliate elects not to renew Software Assurance for any Product under its Enrollment, then Enrolled Affiliate will not be permitted to order Software Assurance later without first acquiring a new License with Software Assurance.
 - (ii) **Online Services eligible for an Extended Term.** For Online Services identified as eligible for an Extended Term in the Product Terms, the following options are available at the end of the Enrollment initial or renewal term.
 - 1) **Extended Term.** Licenses for Online Services will automatically expire in accordance with the terms of the Enrollment. An extended term option that allows Online Services to continue month-to-month ("Extended Term") is available. During the Extended Term, Online Services will be invoiced monthly at the then-current published price as of the Expiration Date plus a 3% administrative fee for up to one year. If Enrolled Affiliate wants an Extended Term, Enrolled Affiliate must submit a request to Microsoft at least 30 days prior to the Expiration Date.
 - 2) **Cancellation during Extended Term.** At any time during the first twelve months of the Extended Term, Enrolled Affiliate may terminate the Extended Term by submitting a notice of cancellation to Microsoft for each Online Service. Thereafter, Microsoft may condition the continued use of each Online Service on the acceptance of new terms by the Enrolled Affiliate. Enrolled Affiliate will be notified in writing of any new terms at least 60 days before any such changes take effect. Enrolled Affiliate acknowledges and agrees that after the notice described in this section, its continued use of each Online Service after the effective date provided in the notice will constitute its acceptance of the new terms. If Enrolled Affiliate does not agree to the new terms, it must stop using the Online Services and terminate the Extended Term as provided in this section. Enrolled Affiliate's termination under this section will be effective at the end of the month following 30 days after Microsoft has received the notice.
 - (iii) **Subscription Licenses and Online Services not eligible for an Extended Term.** If Enrolled Affiliate elects not to renew, the Licenses will be cancelled and will terminate as of the Expiration Date. Any associated media must be uninstalled and destroyed and Enrolled Affiliate's Enterprise must discontinue use. Microsoft may request written certification to verify compliance.
- d. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the "Termination for cause" section of the Agreement. In addition, it shall be a breach of this Enrollment if Enrolled Affiliate or any Affiliate in the Enterprise that uses Government Community Cloud Services fails to meet and maintain the conditions of membership in the definition of Community.
- e. **Early termination.** Any early termination of this Enrollment will be subject to the "Early Termination" Section of the Enterprise Agreement.

For Subscription Licenses, in the event of a breach by Microsoft, or if Microsoft terminates an Online Service for regulatory reasons, Microsoft will issue Reseller a credit for any amount paid in advance for the period after termination.

6. Government Community Cloud.

- a. Community requirements.** If Enrolled Affiliate purchases Government Community Cloud Services, Enrolled Affiliate certifies that it is a member of the Community and agrees to use Government Community Cloud Services solely in its capacity as a member of the Community and, for eligible Government Community Cloud Services, for the benefit of end users that are members of the Community. Use of Government Community Cloud Services by an entity that is not a member of the Community or to provide services to non-Community members is strictly prohibited and could result in termination of Enrolled Affiliate's license(s) for Government Community Cloud Services without notice. Enrolled Affiliate acknowledges that only Community members may use Government Community Cloud Services.
- b.** All terms and conditions applicable to non-Government Community Cloud Services also apply to their corresponding Government Community Cloud Services, except as otherwise noted in the Use Rights, Product Terms, and this Enrollment.
- c.** Enrolled Affiliate may not deploy or use Government Community Cloud Services and corresponding non-Government Community Cloud Services in the same domain.
- d. Use Rights for Government Community Cloud Services.** For Government Community Cloud Services, notwithstanding anything to the contrary in the Use Rights:
 - (i)** Government Community Cloud Services will be offered only within the United States.
 - (ii)** Additional European Terms, as set forth in the Use Rights, will not apply.
 - (iii)** References to geographic areas in the Use Rights with respect to the location of Customer Data at rest, as set forth in the Use Rights, refer only to the United States.
