

B.E.S.T. Class

(Basic Education for Safe Travel)

Hybrid education for child care providers & foster parents

This class is designed to meet the MN CPS course requirements for licensure and foster parenting.

There is no cost to register for this Hybrid course thanks to grant funding from the Minnesota Office of Traffic Safety.

Registration is required. Participants will be emailed additional information on how to complete the two step process of online and in-person training. Each step will be 60-90 minutes. In-person training will be in Grand Forks/East Grand Forks.
